Nite Lite Mountain Retreat

Nite Lite Mountain Retreat is named after the Pre-Civil War farm on which it sits. For years, the warm glow from the barn and farm house, have beckoned travelers to stop and rest while being provided food, shelter, and fellowship. We now continue this tradition of providing shelter in the solitude of the Appalachian Mountains.

This vacation Rental is located between Elkins and Parsons in the small town of Montrose. Close to nature and many local attractions, Nite Lite Mountain Retreat is only 45 minutes from Timberline and Canaan Valley Ski Resorts, 30 minutes from Blackwater Falls State Park and 15 to 20 minutes from prime trout fishing streams and Monongahela National Forest. Biking and hiking is available on the Rail Trail 100 feet from the house, as well as many other trails in the Otter Creek Wilderness Area 15 minutes away.
